UAC

[UAC - Educational Access Schemes \(EAS\)](#)

The Educational Access Scheme (EAS) aims to help students who have experienced significant educational disadvantage receive an offer to university.

[UAC - FAQs about applying to University](#)

Find answers to frequently asked questions about applying to university

[UAC - Schools Recommendation Schemes \(SRS\)](#)

Applications close 16 Sept

The Schools Recommendation Scheme (SRS) is one way institutions make early offers of undergraduate admission to Year 12 students. They do this by using criteria other than (or in addition to) the ATAR.

Information about applying this year, including application and offer dates, is being updated progressively, so check back at this link regularly.

[SRS now part of undergraduate application](#)

This year, the Schools Recommendation Scheme application is integrated into the undergraduate application; it is no longer a standalone application.

Once students have submitted their undergraduate application a link to the SRS application will appear. It will only take them a minute or so to complete.

University - Institutes

[UOW College Individual & Ageing Support Information Session](#)

29 April

Are you considering studying Individual or Ageing Support at UOW College and need answers? Don't worry we've got you covered!

Please join us for our upcoming online info session to find out how both of these vocational courses will support your career in a growing industry that is essential to supporting individuals, families and communities. Also find out how these courses can prepare and lead you into the HLT54121 Diploma of Nursing with units of competency. We will provide an overview of course structure, entry requirements, job outcomes, smart and skilled funding, class days, times, the units you will be studying, what to expect at orientation and much more! Staff will be available on the night to answer any questions you may have.

[WSU HSC True Reward Early Offers - Applications Now Open](#)

Apply by 4 September for first round

Our HSC True Reward early offer program will give school leavers much needed peace of mind, providing students with an early offer into most university degrees based on their Year 11 or Year 12 results.

HSC True Reward was first launched in 2017, providing students with an early offer into Western based on HSC results, instead of a scaled ATAR, following analysis showing subject performance is a reliable indicator of student success.

If you are a year 12 HSC student and have selected eligible course preferences, you will automatically be considered for a HSC True Reward early offer.

[University of Sydney Creative Arts Special Admission Scheme \(CASAS\)](#)

Did you know you can apply to get an early offer from the Con before you get your ATAR? If you've got the talent and the dedication, we want you.

The Creative Arts Special Admissions Scheme offers talented Year 12 students a chance to receive an early offer to study music based on their audition and academic performance in year 11 and 12 so far, prior to getting an ATAR.

The degrees available under the admissions scheme are:

- Bachelor of Music
- Bachelor of Music (Composition)
- Bachelor of Music (Performance)

If you are a HSC student in NSW, you must do the following:

- Apply to UAC by the relevant August Round 1 or October Round 1 deadline.
- List your chosen music degree as your first preference.
- Meet the audition/portfolio and interview requirements in the July or September rounds of auditions.

You are encouraged to apply in the July round of auditions (UAC August Round 1) where you will be able to audition live and have a chance to secure an early offer before submitting HSC work or undertaking exams.

For most NSW Year 12 HSC students, no separate application is required, and your Year 11 and 12 results and predicted ATAR will be obtained automatically through UAC by the Sydney Conservatorium of Music.

[ARTiculate Ancient History - Greek Writers on Sparta: A survey of perspectives](#)

7 May

The body of literary evidence for ancient Sparta raises more questions than they answer. Collectively, this evidence (along with Sparta's own obscure self-mystification) produces the so-called 'Spartan Mirage'. Using them to solve the very mythology they have created is not easy. In this talk Dr Ben Brown will suggest entry points to some of the literary testimonia and offer a straightforward way to identify the usefulness of each source and how that usefulness can be represented to students. While all the literary sources will be considered, we will focus especially on the importance of Herodotus, Xenophon, Aristotle, Plutarch, and Pausanias.

[ARTiculate Studies of Religion – Three Versions of Paul \(or more\) and Christian bioethics](#)

30 May

The talk will be divided in two parts:

Part 1. Three Versions of Paul (or more)

There are a multitude of attitudes to St Paul academic, theological and mythic. Was he the real founder of Christianity? The first writer of Scripture? Here we examine his legacy from numerous academic viewpoints and survey the most relevant sources.

Part 2. Bioethics (Mainly Christianity)

Bioethical responses from even a single tradition such as Christianity can change over time and lose and gain intensities and focus, here we consider why with some telling examples.

[University of Sydney Year 12 Information Evening Webinar](#)

23 May

Join us for an exclusive online information evening for Year 12 students and their parents/carers to answer all your questions about joining the vibrant Sydney University community next year.

- Discover the exciting range of degrees and programs we offer.
- Learn about our unique curriculum and scholarships.
- Connect with our Indigenous team and explore pathways, Gadigal program, and extended bachelor program.
- Understand our Regional and Remote entry schemes.
- Get expert advice on entry requirements and the application process.

This information evening is your chance to explore your options, get clear on the next steps, and ask questions to our current students and Sydney Future students staff.

[University of Sydney Webinar – Double degrees, combined studies and cross-disciplinary education](#)

29 May

We offer a range of double degrees allowing you more flexibility and options to create the university experience that suits your interests and goals. Allowing you to follow your passion and gain a competitive edge by enhancing your employability through cross disciplinary education.

Hear from a current double degree student about as they share their Sydney experience and how they chose from the many flexible courses and degree structures at the University of Sydney. Find out what sets us apart and how you can benefit from completing a combined or double degree at Sydney

[Bachelor of Accounting \(BAcc\) at UTS Information Evening](#)

9 May

At the core of every organisation is an accountant. Join our webinar to learn about what accounting really is and where it can take you.

If you are a high-achieving school leaver and believe you could be one of Australia's future business leaders, then our Bachelor of Accounting and cooperative education scholarship program has been designed just for you.

The Bachelor of Accounting provides you with a multi-skilled accounting degree with a strong emphasis on both accounting and financial management, both essential business tools.

Come along to this webinar and meet current students, graduates, sponsors and staff of this elite program.

[ANU Early Entry Application Q&A Webinar](#)

7 May

An opportunity to get your last minute questions about our direct entry application answered by staff from admissions and accommodation before applications close on 13 May 2024. They will answer commonly asked questions, and there will be time for you to ask your own – come prepared with any questions you might have!

[Studying Engineering & Computing at ANU Webinar](#)

2 May

Interested in engineering, computing or cybernetics? Hear from staff and students from the ANU College of Engineering, Computing & Cybernetics about our undergraduate programs. You'll get more information about our different degrees on offer, hear from students about their experiences, and get your questions answered directly by CECC staff.

[Reminder – Discover Health Sciences at ACU North Sydney](#)

16 April

Registration Open Take part in hands-on workshops, tour our facilities and hear from current students about a rewarding career as a health professional.

[Reminder – Discover Teaching and Social Work at ACU Strathfield](#)

17 April

Take part in hands-on workshops, tour our facilities and hear from current students about a rewarding career as a teacher or social worker. Learn about global study opportunities and why we are ranked 32nd in the world for education*. This event is designed for high school students in Years 10 to 12, however anyone, including parents and caregivers, is most welcome to attend. Places are limited – be sure to register your attendance to guarantee your spot.

[Souther Cross University at Primex Field Days](#)

16 May

Enjoy local produce, food, and drink alongside chefs, growers and food lovers at this iconic Northern Rivers field day event. With regional Australia’s largest showcase of machinery, equipment, and innovation that gives the entire family a true taste of Australian agriculture and primary industry production.

University of Newcastle Parents and Carers Info Session – Central Coast

1 May

If you have a child who is currently completing Year 12 we invite you to join us at our Parents and Carers Info Session on the Central Coast.

Parents and Carers will have the opportunity to hear from knowledgeable university staff and current students, covering a range of different topics to assist you in supporting your child through their transition from high school to university including:

- Everything you need to know about entry schemes and pathways to university, including our Early Entry Program
- Have the chance to speak to current University of Newcastle Student Ambassadors about their first-hand experience transitioning from school to university, student life, support services and much more
- You'll also have the chance to speak one-on-one with our friendly teams to ensure you walk away feeling confident and informed.

Parents and Carers Info Session – Newcastle

2 May

Parents and Carers will have the opportunity to hear from knowledgeable university staff and current students, covering a range of different topics to assist you in supporting your child through their transition from high school to university including:

- Everything you need to know about entry schemes and pathways to university, including our Early Entry Program
- Have the chance to speak to current University of Newcastle Student Ambassadors about their first-hand experience transitioning from school to university, student life, support services and much more
- You'll also have the chance to speak one-on-one with our friendly teams to ensure you walk away feeling confident and informed.

University of Newcastle JMP Info Session Webinar

8 May

The Bachelor of Medical Science and Doctor of Medicine (The JMP) is an innovative five-year degree delivered jointly with the University of New England and supported by Hunter New England Local Health District and Central Coast Local Health District. Join us for an info session to hear from Joint Medical Program academics and current students about the program, admission requirements and much more.

[UNSW Year 10 Info Evenings: Subject Selection](#)

9 & 14 May

Get advice and information that's specially tailored for Year 10 students, that will help you navigate the HSC subject selection process, explain how UNSW admissions and scholarship applications work, and give you an insight into transitioning into university life so that you can get a head start on planning your future.

Parents and teachers of Year 10 students are invited to join the evening as well as participate in the live Q&A session.

[UNSW Law Admissions Test \(LAT\) Information Evening](#)

15 May

Get all of your questions answered at our online 2024 LAT Information Evening. The Law Admission Test (LAT) is an entry requirement for all undergraduate law double degrees at UNSW. We'll cover how the LAT has worked for entry in the past, provide detailed program and faculty information, as well as key LAT dates for the year ahead.

We'll also be joined by some current students to answer general questions about the LAT and studying law at UNSW.

Our LAT Information Evening is for Year 11 and 12 students and their parents, careers advisers and students currently studying at another university who are hoping to transfer to UNSW Bachelor of Laws in 2025.

[UNSW Science Information Evening](#)

29 May

No matter what your passion is, you'll find a degree to launch your career with UNSW Science. From Aviation to Psychology, Mathematics to Environmental Sciences, we're creating the Science Leaders of tomorrow.

UNSW's Science Information Evening is for domestic high school students who are interested in pursuing an undergraduate degree in Science. Join us to hear about UNSW Science and what makes us different. We will provide information about our degree offerings, work integrated learning opportunities, industry partnerships, STEM career opportunities and much more.

University - General

[Future Doctors Program](#)

18-21 July and 10-13 October

Gaining medical work experience is essential for young people considering a career in medicine. It provides insight into the field, helps develop skills and attributes, and provides networking opportunities. However, obtaining medical work experience can be challenging due to various restrictions such as limited opportunities, safety concerns, and confidentiality issues.

That's why NIE has developed the "Future Doctors Australia" program. It is an engaging and high-impact 4-day program that provides young people with a unique opportunity to gain medical work experience in a safe and structured environment. Participants will have the opportunity to spend time with current junior and senior medical students. They will also have the rare opportunity to spend time with more senior clinicians and various medical specialists. You will get to learn about clinical's specialist's relevant fields of work, ask them questions, and learn some hands-on skills from them.

[Bond University Student for a Semester Program - Applications Close Soon](#)

Applications Close 26 April

Go behind the scenes of the university experience before you make that all-important decision with our Student for a Semester program. While there's a whole host of great ways to [explore your uni options](#) while you're still in high school, nothing beats living it – attending classes, connecting with your peers, and completing real assessments and exams.

The Student for a Semester program gives high-achieving students enrolled in Year 11 or 12 at an Australian High School, the opportunity to gain an authentic university experience before finishing high school. You'll enrol in a Bond University subject and study in-person at our Gold Coast campus alongside university students. The Student for a Semester program will not only leave you with newfound knowledge about study and life at Bond, but you'll also gain a deeper understanding of the university experience, and a potential credit towards your future university degree at Bond.

One of the best parts of the Student for a Semester experience is getting to dive right into the study area that interests you, with subjects ranging from architecture to actuarial science and everything in between. Explore an area that relates to your Year 11 or 12 subjects and your future university degree – this could be your chance to gain valuable experience in a lab ahead of commencing biomedical science, or to learn more about fundamental legal principles in prep for the Bachelor of Laws.

Think of the Student for a Semester experience as a way to accelerate your knowledge and get a leg up before beginning uni, giving you the confidence you need to excel at your tertiary studies. A dream come true!

[Aurora Internship Program Indigenous Scholarships](#)

The Internship Program continues to focus on supporting Aboriginal and Torres Strait Islander* students and graduates via internships as pathways to jobs in Indigenous organisations and other organisations working in the Indigenous sector. We are also able to place Indigenous interns at a wide range of organisations, outside of the sector, so long as the placements are relevant to candidates' study and career aspirations.

The Commonwealth's Culture and Capability Programme will provide financial support via Scholarships for Aboriginal and Torres Strait Islander interns under the Program.

[Digital SAT Practice Exam](#)

Register by 1 May

Exam Date: 5 May

Internationally Educated in partnership with Revolution Prep will be offering a practice digital SAT. Taking full-length practice tests under timed conditions is essential to being ready for the official test. A proctored practice exam will help you build testing endurance, provide insight to the types of questions asked, and give you a real-time snapshot of your testing performance.

[Pathways into Medicine and Dentistry Live Webinar](#)

22 April & 8 May

Are you currently studying in years 9, 10, 11 or 12?

Are you considering a career in medicine or dentistry?

If you have answered yes, then you may need to sit a compulsory entry exam known as UCAT (Undergraduate Medicine and Health Sciences Admission Test) before you can apply to certain universities!

The National Institute of Education (NIE) is proud to present the free information seminar all about UCAT and the undergraduate pathways into medicine, dentistry, and some other health science programs. The session is PACKED with loads valuable information during which we will be covering the following topics and more.

This forum is an excellent opportunity for teachers, students, and parents to find out about the UCAT and to have their questions answered by an expert who has been working in the field since 1999.

TAFE

[2024 Rheem Apprentice Plumber Grant - Closing Soon](#)

Closes 28 April

Are you an apprentice plumber or do you know of an apprentice plumber that deserves \$3,000 to help kickstart their career in 2024?

Applications for the 2024 Rheem Apprentice Plumber Grants open on Thursday 1st February 2024 and close 11:59pm, Sunday 28th April 2024.

This year there are 20 grants on offer, each valued at \$3,000.

Each grant includes \$2,000 to go towards TAFE/RTO fees and textbooks, and a \$1,000 tool voucher to help build your toolbox.

To be eligible, you must be an apprentice plumber or gas fitter in Australia, either current or starting in 2024.

[Bradfield Senior College Open Day](#)

7 May

Please join us for a tour of the Bradfield campus followed by a presentation and Q&A.

Location: Building A, 213 Pacific Hwy St Leonards 2065

[Meet TAFE at Sydney Build Expo](#)

In this real-time online information session Dr Timothy Hsi will share insights into studying Counselling at ACAP and highlight what courses you could take to help others develop better self-awareness for a more positive path in life.

[Australian College of Applied Professions Webinar – Psychology Information Session](#)

9 May

Can you imagine yourself in a fascinating research role, contributing to mental health services or as a specialist in private practice? These are just a few career options you have with a qualification in Psychology.

In this real-time online information session Professor John Reece will share insights into studying Psychology at ACAP and ultimately provide you with information on courses you could study, and delve into the scientific research of individuals, society and culture.

General

[Wombat Books Illustration Challenge](#)

Closes 1 July

We're seeking original illustrations from Australian school-aged students (aged 5-18) to publish in a unique picture book by the team at Wombat Books.

The Challenge has been established in order to provide aspiring young illustrators with the opportunity to be published in a professionally produced children's book and gain an introduction into the world of illustrating. Winning illustrations will be published in a new book which is due for release in 2024. Illustrators will receive two free copies of the book. They will also be acknowledged on the Wombat Books website. Judging decisions will be made by Wombat Books.

This is the sixth challenge Wombat Books has run. We want to create a unique and special picture book by Aussie children for everyone to treasure and have fun with.

[Australian Space Design Competition](#)

Registration Closes 30 June

The Australian Space Design Competition (ASDC) is designed for secondary school students with a passion for space, or are considering a future in STEM fields.

Teams of up to 12 grade 8 - 12 students respond to an engineering Request For Tender (RFT) and design a futuristic space settlement, planning structural engineering, operations and infrastructure, personnel factors, automation, and business development.

[ReGenerate Theatre Making Workshop – Expression of Interest](#)

ReGenerate Lindfield is a drama and theatremaking workshop being run by BBT. The workshop is for young people aged 11 - 17 and will be held at Blair Wark, VC, Community Centre, Lindfield.

Over five days, from Monday 22 April - Friday 26 April 2024, you will learn theatre making and drama skills, and develop a brand new show that will be performed on Friday 26 April for invited friends and family.

Places are limited at the workshop, and we can only accommodate 25 young people. If this workshop is successful, we may be able to offer additional workshops in the future.

If you'd like to participate in the ReGenerate Workshop, please fill out the form below, and we'll be in touch!

[Romeo and Juliet at The Seymour Centre](#)

21-31 May

Watch a full-length production of Shakespeare's Romeo and Juliet specially designed for young audiences at the Seymour Centre. Characterised by a true vision of today's youth, the play is performed by some of Australia's most exciting young actors of Shakespeare, creating an authenticity to the characters. Following each daytime performance is a Q&A with the director Damien Ryan.

[BiG Day In Parramatta](#)

15 May

15 Seats Available

You'll need to be quick as this event has been sold out for weeks!

Book your tickets early so your students don't miss out on awesome presentations from organisations including Australian Signals Directorate, Microsoft, Wisetech Global, Westpac, Animal Logic, TCS, Woolworths & Defence Force Recruiting.

[Australian Federal Police Information Session](#)

8 May

Interested in a career as a PSO? Learn more at our online information session.

AFP protective service officers (PSOs) are first responders to national security threats.

As a PSO you'll get to work in an active environment, performing a range of high visibility patrols on vehicle, bike or foot.

[Sydney Nightscape Photowalk](#)

28 May

Are you mesmerised by kaleidoscopic lights and displays? Have you always wanted that iconic Sydney photo, re-imagined with colour and light?

This three hour photo walk will have you shooting magical Sydney icons as they transform and come alive with light during the night. Discover and explore the post-card worthy areas of this beautiful city backdrop where you'll learn how to optimise your camera settings, utilise your lenses and develop your compositional eye to capture the city in all its light and colour.
