UAC

[Curious about a campus? – UAC Maptivate](#)

UAC Maptivate, now available on our website, is an interactive map that enables you to traverse the continent and zero in on each of UAC’s participating and apply direct institutions’ campuses. If you’re thinking of moving from home to study – or even if you’re staying local – this tool can help you start your higher education journey in the right place.

Maptivate allows you to explore the location and surroundings of campuses in your area and further afield. The map has two layers that you can turn on or off to show UAC’s participating institutions or apply direct institutions. You can also choose to show or hide institutions in different states and switch between map and table format.

[How thousands of students are overcoming challenges and gaining entry to uni](#)

Not everyone gets an equal shot at their Year 11 and 12 studies. Life throws in some pretty serious challenges along the way, like chronic illness or ongoing financial stress.

If you are navigating health issues, a family break-up or other challenges that affect your education, the Educational Access Scheme (EAS) can help you get to uni by increasing your selection rank and making you more competitive for an offer.

An EAS application is automatically generated for UAC undergraduate applicants who live in identified low socio-economic areas.

University – Institutes

[Reminder – UOW Early Entry Closes Soon](#)

Closes 9 August

UOW Early Admission is our early entry offer program for students completing Year 12 (Higher School Certificate or other Australian equivalents) during 2023. When you apply for Early Admission, UOW considers your unique skills and experiences, alongside your Year 11 results, so you can earn an offer to uni before you sit your first exam.

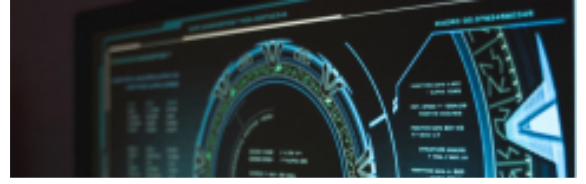

Getting early entry to UOW means less stress for you at that time and provides you with the certainty that next year you’ll be studying at a uni who knows you’re more than your ATAR.

University of Wollongong - Cyber Academy

The first-of-its-kind, the Cyber Academy is an inclusive program combining nationally recognised qualifications with paid, on-the-job training. Develop a career in the fast-growing cyber security sector and meet the needs of a changing technological landscape.

You will fast-track your career in cyber security by completing a three-year professional apprenticeship program that offers:

- Industry experience. Work at Deloitte, an industry partner or a government department.
- Paid employment while you study.
- Ongoing coaching and mentoring
- Access to Deloitte's graduate program and bootcamps.
- Upon completion, you will have earned two qualifications: ICT50220 Diploma of Information Technology (Cyber Security) from TAFE NSW and a Bachelor of Computer Science (Cyber Security) from UOW.

EmpowerHER STEM Summit

Applications Now Open - Summit Runs 1-2 Oct

The University of Wollongong is thrilled to announce the return of the EmpowerHER STEM Summit in 2024. This hands-on, two-day event, taking place during the Spring school holidays, is exclusively designed for fierce female students in Years 7, 8 & 9.

Brace yourself for an exciting experience as we raise the STEM-bar for girls and ignite their passion for Science, Technology, Engineering, and Maths (STEM)!

Students will journey through UOW's vibrant Wollongong Campus, the awe-inspiring Innovation Campus, and mind blowing Bluescope site. Accompanied by faculty, current students, and industry professionals, this event promises an enriching, yet collaborative experience.

Macquarie Leaders and Achievers Early Entry Scheme

Applications are open now.

Year 12 students can be awarded with an early entry offer to Macquarie Uni for demonstrating initiative and commitment in years 11 and 12.

[Register to watch the early entry webinar](#)

Macquarie University Open Day

10 August

We get to share with you why we're the #1 uni in Sydney for teaching quality and learning resources, as well as showcase our future-focused degrees, our buzzing facilities, our collaborative hang-out spots and our stunning green campus.

And YOU get to explore your future with us.

[Macquarie University Upcoming Webinar](#)

The Year 12 series provides students with everything they need to know about university – from applying and exploring our courses and entry programs, to reducing Year 12 study stress and leaving home.

Upcoming sessions:

- Wednesday, 11 September: Transitioning from School to Uni

Watch on demand:

- Year 12 Guide to Uni
- Early Entry

Macquarie University Course Updates

Please find some important course updates with links to see more information below.

- The [Bachelor of Criminology](#) is a new course to be offered from Session 1, 2025.
- The [Bachelor of Science](#) has been refreshed including the addition of a major in Marine Science, as well as updates to the Biotechnology and Statistical Data Science majors.
- The [Bachelor of Social Science](#) has been renamed the Bachelor of Social Sciences and is designed to build skills across all areas of social sciences through core units.
- The **Bachelor of Cognitive and Brain Science will no longer be offered** from Session 2, 2024. It is recommended students consider the Bachelor of Psychology or the Bachelor of Medical Sciences with the major in Neuroscience. Those students interested in further research can also consider the Master of Research following their undergraduate study.
- Students can now **undertake a second major** from another faculty within certain degrees as part of the flexible zone. The available majors are listed within the course structure page.

[Macquarie University New Bachelor of Education](#)

Our teacher education has been reimagined and we are pioneering an innovative suite of new education degrees that is set to reshape teacher education in Australia. Our new suite of education degrees commence in Session 1, 2025 and replace a number of existing degrees:

- The Bachelor of Education (Primary) and Bachelor of Arts and the Bachelor of Education (Primary) and Bachelor of Psychology will both now be replaced with the Bachelor of Education (Primary)
- The Bachelor of Arts and Bachelor of Education (Secondary); the Bachelor of Commerce and Bachelor of Education (Secondary); and the Bachelor of Science and Bachelor of Education (Secondary) will now be replaced with the Bachelor of Education (Secondary)
- The Bachelor of Teaching (Early Childhood Education) and Bachelor of Arts and Bachelor of Education (Primary) majoring in Early Childhood Education will be replaced with the Bachelor of Education (Early Childhood and Primary)
- The Bachelor of Teaching (Early Childhood Education) will be replaced with the Bachelor of Education (Early Childhood)

[Western Sydney University Scholarships](#)

Western Sydney University offers \$20 million in scholarships every year. This includes a generous range of University and donor-funded opportunities.

Scholarships applications are now open. Please refer to the individual scholarship pages for eligibility criteria that may apply.

Please continue to check these pages or contact our team on 02 9852 5501 and scholarships@westernsydney.edu.au, to find out the opportunities available for you.

[University of Sydney Open Day](#)

31 August

Join us at the University of Sydney Open Day on Saturday 31 August 2024 from 9 am to 4 pm. There is much to see and do at Open Day, so register now to start planning.

- 40+ talks – get an overview of our courses, programs and pathways.
- Course advise areas – speak directly to the academic experts teaching classes and have your questions answered.
- Get personalised advice from our staff – on admissions, student support, scholarships and other services.
- See our campus come alive – see activations, exhibits, interactive demos and facilities across campus.
- Take a tour – buildings, facilities and accommodations tours are happening all day.

[Sancta Sophia College Residential College Open Day](#)

31 August

Thinking of living on campus at the University of Sydney in 2024 or beyond? Prospective undergraduate and postgraduate residents and their families are invited to join us for our upcoming Open Day to explore all that Sancta has to offer. Enjoy a complimentary BBQ and refreshments, meet our residents and key Sancta staff, and take a personalised tour of the College.

[Design at Sydney: Your Pathway to Innovation and Creativity](#)

14 August

Join us for an exciting webinar where we'll introduce you to the vibrant universe of studying Design at the University of Sydney. This webinar is your chance to discover how our Design degree can prepare you to shape the way we experience the world through technology, from digital interfaces to physical spaces, and everything in between!

[UTS Open Day](#)

31 August

Discover the UTS difference at Open Day! Whether you're passionate about engineering, fascinated by design, intrigued by science, or eager to explore business, UTS offers something for everyone. Join us as we unlock the doors to your future success. What to expect

- Discover our courses Get a sneak peek into our innovative courses and find the perfect fit for your future career.
- Meet our people Take the opportunity to ask questions and gain valuable insights from passionate academics and current students.
- Explore our campus Have a blast on campus as you get a first-hand experience on what it's like to be a UTS student.

ANU Campus Tours

Tours available every Saturday until 14 December, also throughout September school holidays

We will be running Campus Tours through the school holidays and on weekends for the rest of the year. For the specific times of these tours, please go to the booking page.

University of Notre Dame Open Day

31 August

Join us at Open Day to discover what Notre Dame Uni has to offer. Explore our Sydney Campus on Broadway. Meet our students, academic staff and graduates!

University of Notre Dame Young Achievers Early Offer Program

Applications for Round 1 close 19 August

If you're a Year 12 student completing the ATAR pathway, this program could be just what you need to secure a place at a University that values your growth as a person, not just your academic achievements.

The Young Achievers Early Offer Program at Notre Dame provides Year 12 students with a chance to secure a place at the university before the main round of offers.

If you have completed an ATAR pathway in years 11 and 12 and are on track to receive an ATAR and WACE/HSC certificate (or equivalent) upon finishing your studies, the Early Offer program is an excellent opportunity for you to feel confident as you work towards your final exams.

Notre Dame Parent and Student Information Session (Liverpool)

26 August

Join us for a Parent and Student Information Session at our Liverpool Student Support Centre. This session will introduce you to Notre Dame's innovative UniPath program and provide key updates on new programs, pathways, and priorities for 2025. Discover how Notre Dame can help you achieve your academic and career aspirations.

2025 Elevate Scholarships – Women in STEM

Applications Now Open

ATSE's Elevate: Boosting women in STEM program will award up to 500 undergraduate and postgraduate scholarships to women and non-binary people in STEM. Elevate aims to address gender inequities in STEM through fostering more women and non-binary led industry-academia collaborations in applied research and business, growing professional skills of women in STEM and propelling women and non-binary people into leadership.

The Elevate program provides:

- A scholarship
- Access to events and networking
- Mentoring
- Wellbeing support during scholars' university studies

Elevate scholarships are awarded across three categories – Undergraduate, Postgraduate Research and Leadership. The program is funded by the Department of Industry, Science and Resources and the Department of Defence. A network of partner organisations from across industry and academia support program delivery.

University - General

[Study Pathway Tour – Country University Centre – Griffith](#)

7 August

Students (and teachers) are invited on a tour of the centre, explore the facilities and ask the Country University Centre (CUC) staff questions about what university study looks like while living locally!

A panel session showcasing current CUC students will then take place, each panel participant is both studying and working locally.

Our panel participants are excited to share their unique pathways from leaving high school and enrolling in their chosen university courses, to balancing study and work and the benefits of building a career within the Riverina.

Explore the possibilities of joining our local Country University Centre!

[BlueScope Cadetships 2025](#)

Applications Close 18 August

Come and discover the opportunity to work at our Port Kembla Steelworks as a Chemistry or Engineering Cadet! Each year, our manufacturing business in NSW offers amazing opportunities for highly motivated students to join the team in chemistry and electrical, materials, mechanical, and computer engineering. With a combination of part-time study and work, you'll be provided one day per week to attend university classes. Cadetships enable you to rotate through various departments, so that you gain exposure to a range of areas and projects across the business relating to your degree. To learn more about what it's like to be a cadet, view our FAQ document and find further links and content below.

As a Chemistry Cadet, you'll apply scientific principles to develop smarter solutions, measure the product durability and performance and conduct environmental analysis.

As an Electrical Cadet, you'll have the opportunity to work with electrical and automation technologies and processes across the entire plant, all of which play a critical role in steel manufacturing.

As a Computer Engineering Cadet, you'll have the opportunity to help drive the improvement of the digital manufacturing systems to enhance efficiency, reliability, and productivity of these systems and their assets.

As a Materials Cadet, you'll study the amazing structure and properties of materials and their economic application, along with improving your understanding of relevant fields such as physics, chemistry and mathematics.

As a Mechanical Cadet, you'll rotate through various departments along the process from smelting the ore, conversion to liquid iron and steel and then forming the raw steel into a finished product.

[WiseTech Earn & Learn – Become a software developer straight out of school](#)

Applications close November 2024

WiseTech's Earn & Learn program gives you a full-time, paid job as a software developer while also supporting you through a four-year university degree.

We combine university recognized coursework, real-world experience at one of Australia's most successful tech companies, and university funding to give you an unparalleled head-start on your career in tech. No prior coding experience necessary.

TAFE

[MSS Security Scholarship Virtual Information Session](#)

21 August

There are opportunities for people from all walks of life in the security industry including school leavers, career changers, jobseekers, parents wanting to re-enter the workforce, Indigenous and Torres Strait Islander persons and even those just looking for extra income.

In partnership with MSS Security, Asset College invites you to an information session with special guests, that will cover everything you need to know about entering the security industry and discuss the MSS Security Scholarship program.

MSS Security needs capable people just like you, to fill diverse security roles right across Australia. Their unique scholarship program provides you with a direct pathway from training to employment, funded by MSS Security.

[Apprenticeship Support Australia Advice for Parents](#)

An Australian Apprenticeship (commonly known as an apprenticeship or traineeship) combines paid on-the-job training with formal study resulting in a nationally-recognised qualification. There are more than 500 occupations across Australia that offer apprenticeships and traineeships, ranging from Certificate II to Advanced Diploma levels, including traditional trades, as well as a number of emerging occupations in most sectors of business and industry. The Australian Government even provides funding to eligible Australian Apprentices aimed to assist with the costs incurred whilst they are undertaking training! To find out which career may suit your child head to our free careers advice portal [Skillsroad.com.au](https://www.skillsroad.com.au) – Australian number 1 destination for career advice!

[AFL SportsReady 2024 Trainee Intake](#)

Applications Close 23 September

AFL SportsReady is currently seeking expressions of interest from applicants looking to secure a traineeship in the greater Sydney region, commencing in 2024.

Traineeships are an amazing opportunity that allows you to earn while you learn, gaining real-world experience and invaluable skills along the way.

Imagine getting paid while gaining practical workplace experience – it's like having the best of both worlds! As a trainee, you'll dive into the exciting world of work, acquiring hands-on knowledge that will make you stand out from the crowd. Whether you're passionate about sport and recreation, business and administration, education, finance, horticulture, information technology, retail and arts, and the creative industries there's a traineeship waiting for you.

My Trade Start

My Trade Start offers a range of automotive and business certified courses including automotive apprenticeships in conjunction with Apprenticeships R Us. My Trade Start provides quality training with a modern approach.

TAFE NSW Virtual Open Day 2024

22 August

TAFE NSW Virtual Open Day is on 22 August. Make a life changing move by getting an understanding of the courses on offer at TAFE NSW.

Virtual Open Day is an opportunity for prospective students to learn about our courses, facilities and support services. This year's event will provide more flexibility and more live interactions, with live keynote speakers and 1:1 pre-booked meetings with industry-qualified teachers and support staff. Discover more about scholarships, degrees, pathway opportunities, flexible study options, enrolment support and so much more.

Chat with our passionate students and accomplished alumni about life at AFTRS, and meet our friendly staff on hand to provide you with valuable advice on how to submit a stand-out application.

General

[EmpowerHER STEM Summit](#)

Applications Now Open – Summit Runs 1-2 Oct

The University of Wollongong is thrilled to announce the return of the EmpowerHER STEM Summit in 2024. This hands-on, two-day event, taking place during the Spring school holidays, is exclusively designed for fierce female students in Years 7, 8 & 9.

Brace yourself for an exciting experience as we raise the STEM-bar for girls and ignite their passion for Science, Technology, Engineering, and Maths (STEM)!

Students will journey through UOW's vibrant Wollongong Campus, the awe-inspiring Innovation Campus, and mind blowing Bluescope site. Accompanied by faculty, current students, and industry professionals, this event promises an enriching, yet collaborative experience.

[Dubbo Zoo Meet a Keeper](#)

4th September

6th November

Meet a Keeper is for school students aged 14 years and over who have expressed a keen interest in pursuing a career at the Zoo or in the captive animal care industry. This one day intensive program will allow students to find out all they want to know about a zoo keeping career and experience first-hand a day in the life of a keeper.

[Virtual Lessons At the Zoo](#)

Our Taronga Education team are bringing the Zoo to you (virtually!) to provide engaging and educational material for students.

Taronga Education TV is a short virtual Zoo lesson released once a week for FREE to take your students on a journey through the Zoo.

Or, you can book a private, curriculum-linked virtual Zoo lesson and experience a Taronga excursion workshop from the comfort of your classroom or from anywhere!

Stage 4, 5 Stage 6 – Animal Encounter

Stage 4 Science, Mandatory Technology, and Stage 4 Science, Design & Technology – Enclosure Design

Stage 4 Science – Classification and Adaptations

Stage 5 Geography – Environmental Change and Management

Stage 6 Biology – Biological Diversity

Stage 6 Biology – Heredity and Genetic Change

Stage 6 Business Studies – It's Zoo Business

[The Simpson Prize](#)

Submissions Close 8 November

The Simpson Prize is a national competition for Year 9 and 10 students which focuses on the service of Australians in World War One and World War Two.

The 16 winners and runners-up, two from each state and territory, travel to Canberra to participate in a 3-day study program in early 2025. The results of the 2025 Simpson Prize will be available on this website at the conclusion of the Canberra Study Program in March. The 8 winners will travel to an overseas destination for an extensive commemorative study tour culminating in Anzac Day ceremonies at that location.

[Young Scientist Awards](#)

Submissions Close 2 September

The Young Scientist Awards Program celebrates the scientific investigations and technological innovation of K-12 school students across in NSW. Since 1992, the Program has been encouraging students to undertake innovative projects and investigations to find creative solutions to real-world problems. The Program aims to encourage and celebrate excellence in STEM through inquiry-based learning.

[Mathematics in Surveying Excursions](#)

16 August, 1 November

Bookings for the Maths in Surveying STEM excursions for Yr10 (5.3) high school students at Bicentennial Park, are open. The student maths-teachers help small groups of Yr10 (5.3) students engage in activities that explore practical applications of mathematics, providing realistic connections of theory to real-life situations. The mathematics involved includes compass bearings and other survey measurements, estimation and accuracy, trigonometry (including sine and cosine rules), elementary circle geometry and some simple CAD. They will have opportunities to use modern technologies and applications throughout the day.

[Become a Surveyor](#)

We know how important it is to find a career you will love. Being a surveyor isn't just a career, its a profession that is critical to the ongoing development of Australia, and Australia needs you right now! That is why we have work experience options that allow you to experience the diversity surveying offers. We will help you lay a foundation for a dream future. Your love for technology, science, geography, maths and working outdoors should take you to places other than an office cubicle. You have the entire world to explore. Becoming an engineer, doctor, lawyer, or accountant shouldn't be the only career option you consider.

Jetstar Recruitment Casual Cabin Crew – Get the Lowdown

Our fantastic cabin crew team are based all around Australia, in either full time or casual roles and are an integral part of our customer's onboard team. The cabin crew role offers lots of variety, challenges, and rewards.

The aviation industry is very dynamic and ever-changing, therefore we are looking for candidates that are resilient and adaptable that can deliver exceptional service on behalf of our customer airlines. If you have always dreamed of a career as a cabin crew, are passionate about providing fantastic customer service and want to be a part of a professional, motivated and dedicated team, we want to hear from you.

Youth at the Zoo

November Intake – Express Your Interest

The program is open to teens aged 13 – 19 years old. Members will have the opportunity to take part in a range of training programs, volunteer their time with our Guest Services team or at Special Events, take part in campaigns, interact with Zoo guests, attend Social Nights and so much more.

As our YATZ get older they can even put up their hand for additional responsibilities like training for our overnight programs, or becoming a Leader or Mentor for younger YATZ.

Members will develop important skills in communication, both in person and via email as they manage their availability with the YATZ Coordinator via our online Volunteer Management System called Volgistics.

Exchange WEP – Choose a Country

Do you want to experience a white Christmas? Are you dying to try snails and frogs legs in France? Is an American Thanksgiving dinner more your style?

Options abound when it comes to where you can go on exchange. As country destinations available for Australian students are changing constantly, it is always advisable to check with us to see what new countries have been added, or what conditions may have forced the removal of a destination. WEP guarantees country of choice!

Many of WEP's programs include weekends away excursions, mini-tours, group orientations and day trips. Browse through our country pages to find out what each destination has on offer. Click on the link for a full list of included program extras!

WEP Exchange – Online Information Session

6 August

Join us as we present information about WEP and our student exchange programs, including the best time to go, which countries offer which program, information about host families, schools, and all other things student exchange!

[Camp America Winter Work Webinar](#)

6 August

Looking for winter resort work?

Our free online Webinar will walk you through our two options – Winter Work Canada and Winter Work Japan.

The Webinar will include:

- Types of jobs/pay/working hours
- Accommodation
- Eligibility
- How to apply
- Application deadlines
- What to expect

Both destinations are in demand and offer wonderful work opportunities, as well as great options for snowboarding on your time off.

Register today to find out more.

[Camp America Info Session](#)

13 August

Register for our Online Information Session and find out why almost 8,000 people worldwide choose Camp America every year. Learn how Camp America works, finding the right camp for you and the application process. We'll give you tips to make your application stand out and give a full rundown of what your Camp America Experience could look like. Join with mum, dad or your mates – all are welcome!

[AIFS Au Pair Life](#)

You will spend 12 months living in the USA with a carefully selected host family. You will receive a weekly stipend, private bedroom, all meals and a study allowance towards taking classes. The minimum weekly stipend is calculated by the U.S. Department of State after accounting for costs associated with weekly room and board. Host families and au pairs are free to agree to compensation higher than the legally applicable minimum.

You will provide up to 45 hours of childcare per week for your host family. Duties may involve a range of general child-related tasks such as feeding and bathing babies, planning fun activities, homework help or driving to appointments. You'll only be placed with a host family whose needs match your childcare experience.

[Building the cyber security workforce](#)

Cyber security is now one of the most rapidly growing industries globally. The threat posed by the perpetrators of malicious cyber activities has spurred governments, the private sector and the research community to invest in cyber security products and services to the tune of around US\$250 billion by 2026.

[JOBTED Resume Writing – A Practical Guide](#)

A new practical guide on how to write an effective resume. This comprehensive Resume Writing Guide is intended to help students and job seekers to create a resume and job application. Check it out for lots of good advice.

[HSC Guide For Students – Charles Sturt University Support](#)

This guide will offer you resources, information and advice, that will help you during preparation for your HSC. It may assist both students and teachers but please note that it is not intended to replace advice from your school.

We've included:

- links to past exams and study guides
- free online resources for each year 12 subject or stream
- free multidisciplinary resources.

What CSU has to offer

If you live near one of our campuses, you're welcome to visit and study in our libraries during opening hours. Campus maps are available online. Library opening hours and information about access is available on the Library homepage.

[Letz Live Gap Years in the UK](#)

Our Paid Gap Year in United Kingdom programme is designed for young people who want to immerse themselves into British culture. The programme is available to those who are graduating high school, university students or recent graduates. On a Gap Year in United Kingdom, you will live and work as a gap year teaching assistant in a prominent UK boarding school. We have hundreds of positions across the United Kingdom and match your skills and attributes to a UK school.

[Unique Student Identifier \(USI\) Get Students Uni Ready With a USI](#)

Students thinking about going to uni next year can get ready now by creating a Unique Student Identifier (USI). They'll need a USI to accept a Commonwealth supported place, apply for commonwealth financial assistance, and to graduate in 2023 and beyond.

[Attention Schools in the Shoalhaven – Shoalhaven Education Fund](#)

Closes 11 October

Shoalhaven Education Fund (SEF) supports local youth to achieve their career aspirations through post-school education and training.

The Shoalhaven Education Fund (SEF) was established to provide much needed financial assistance and support to local youth to help them achieve their post high school education, training and vocation aspirations.

[Digging Up the Neighbourhood Walking Tour](#)

14 August

Starting at Susannah Place, this walking tour explores some of the fascinating archaeological sites in The Rocks and Millers Point, including a rare opportunity to view the Parbury Ruins. Unearthed during the construction of an apartment block and now preserved below ground, the Parbury Ruins feature the extensive remains of an 1820s cottage once owned by ex-convicts.
