

STRENGTH THROUGH UNITY

Brisbane Water Secondary College

Woy Woy Senior Campus

INDUSTRIAL ACTION AT BRISBANE WATER SECONDARY COLLEGE

Dear Parents/Caregivers,

On Tuesday 3rd December from 8:30 - 10:30 am, teachers across the state will be attending a NSW Teachers' Federation Broadcast Meeting in order to discuss recent developments in negotiations with the NSW Government and recommendations regarding the new Salaries and Conditions Award. This school will be affected by those changes.

The nature of the broadcast means that such meetings can only be held in school hours.

The majority of staff at Woy Woy Campus will be attending this meeting. Hence normal classes will not be possible for periods 1 and 2. .

Minimal supervision only will be provided in the playground until classes can resume for period 3. Roll Call will be held before the start of period 3 at approximately 11.00 am after which normal arrangements will be in place for the remainder of the day.

David Allomes
