Interview Day Thursday 1st September

Dear Parents/Carers.

As part of our Senior Course selection process we have organised an individual student interview with a staff member on Thursday 1st September. As we use a large number of staff to participate in the interviews it is not possible to run normal classes for Year 10. This will mean regular Year 10 classes on Thursday 1st September will be cancelled and booking times allocated to individual students for interviews confirming their final course selections for Preliminary Courses commencing 2017.

At the interview, students with their interviewing teacher will confirm their selections. Some students will need to make adjustments as some courses are not running or if a clash between selected courses has arisen.

Please note that the interview is not to allow students the opportunity to change their pattern of study.

Before the Day

During weeks 6 and 7, students are to check the Deputy Principal's windows facing the lawn area to confirm their interview time. Interviews will commence at 8.45am and will run approximately every 20 minutes with groups of about 16 students or similar in that particular time slot. Your son/daughter will be interviewed by a highly experienced senior teacher or Head Teacher.

On the Day

Students are to attend only the interview on the day and do not attend normal lessons.

Dress code for the interview is 'formal interview standards' Full school uniform can be worn alternatively. Interviews will take place in the school hall. It is anticipated that the interview sessions will finish around 2.00pm if not sooner.

Parents/carers are encouraged to attend with their child on the day to participate in this most important step in their child's education.

If you are away on the day.

Every effort needs to be made to attend your interview for the organised time. However if reasons prevail beyond your control, an alternative time can be made as soon as you return to school. An accurate roll of attendance will be kept on the day and normal absence procedures take place.

We look forward to meeting you on the day.

Yours sincerely
